STATEMENT UNDER SECTION 281 (1) (A) READ WITH SECTION 134(3) OF THE COMPANIES ACT, 2017

This statement set out the material facts concerning the special business to be transacted at the EOGM of Bhanero Textile Mills Limited (“**Company**”) and the terms of the Scheme of Arrangement proposed to be entered into between the Company and Bhanero Energy Limited (“**BEL**”) (the “**Scheme**”) and explains its effect including the interest of the directors/ chief executive of the Company.

1) The Scheme

The principal object of the Scheme is as follows:

- (1) BEL-Kotri Unit 1 Undertaking (as defined in the Scheme) to stand demerged from the BEL.
- (2) The BEL-Kotri Unit 1 Undertaking to stand transferred to and vest in the Company, against the allotment and issuance of 40,964 shares in the Company by the Company to the shareholders of BEL as described in the Scheme in proportion to their respective shareholding in BEL; and
- (3) The cancellation of 5.99% of the shareholding of each shareholder of BEL (as described in the Scheme) and consequently reduction in the issued and paid-up share capital of BEL.

The board of directors of the Company and BEL have approved the Scheme and resolved to take necessary steps for the approval and sanction of the Scheme.

A petition, J.C.M No. 10 of 2022, seeking, *inter alia*, the sanction of the Scheme by the Hon’ble High Court of Sindh has been filed by the Company and BEL under sections 279 to 283 and 285 of the Companies Act, 2017.

2) Approval of the Scheme

Under section 279(2) of the Companies Act, 2017, a majority in number representing three-fourths of the members of the Company and BEL in their respective meetings should agree to the Scheme in order for the same to be sanctioned by the Hon’ble High Court of Sindh. Hence, pursuant to the order dated 1st June 2022, passed by the High Court of Sindh at Karachi in Judicial Miscellaneous Application Nos. 1192 to 1196 of 2022, in petition J.C.M No. 10 of 2022, under sections 279 to 283 and 285 of the Companies Act, 2017, an Extra Ordinary General Meeting (EOGM) of the members of the Company will be held on 03:00 pm at 23/1 Umer House, S.M. Farooq Road, Korangi Industrial Area, Sector 23, Karachi.

3) Proposed Draft of the Resolution

RESOLVED THAT the Scheme of Arrangement for the reconstruction of Bhanero Energy Limited and Bhanero Textile Mills Limited, inter alia, by demerging the BEL-Kotri Unit 1 Undertaking inclusive of certain assets, rights, liabilities and obligations pertaining thereto and vesting the BEL-Kotri Unit 1 Undertaking in Bhanero Textile Mills Limited against the allotment and issue of shares by Bhanero Textile Mills Limited to the shareholders of Bhanero Energy Limited at break-up value all as stated in the Scheme of Arrangement dated 22 April 2022 between Bhanero Energy Limited and its members and Bhanero Textile Mills Limited and its members considered by this meeting and for the purposes of identification initialed by the chairman of this meeting, be and is hereby approved, adopted and agreed, subject to such modifications or additions by, or to any conditions which, the Sindh High Court may impose.

FURTHER RESOLVED THAT for the purposes aforesaid, Mr. Mohammad Salim, Director, and Mr. Muhammad Shaheen, Director, and Mr. Asim Mirza, Chief Financial Officer, be and are hereby, singly and jointly, authorized and empowered to do all or any of the following, for and on behalf, and in the name, of the Company to do all such acts, deeds, matters and things, as may be deemed necessary, proper or expedient for the purpose of giving effect to the aforementioned resolutions on behalf of the Company in relation to the foregoing and to further sub-delegate any or all of his powers hereunder.”

4) Filing of the Scheme

A copy of the Scheme has been filed with the registrar of Company Registration Office Karachi.

5) Benefits of the Scheme

The benefits of the Scheme have been provided in Part 4 (*Benefits of the Scheme*) of the Scheme.

6) Effects of the Scheme

The effects of the Scheme have been stated in Part 6 (*The Arrangement*) of the Scheme. In terms of the Scheme, the paid-up capital of the Company will be enhanced from 3,000,000 shares to 3,040,964 shares as the Company will allot and issue 40,964 shares of the Company in the Company to the shareholders of BEL as described in the Scheme in consideration of the transfer of the BEL Unit-1 Undertaking (as defined in the Scheme) to the Company.

Once the Scheme has been approved by the requisite majority of the members of the Company and BEL, the Scheme shall become operative and effective and bind the Company and BEL and their respective shareholders, creditors and all other third parties once the order sanctioning the Scheme is passed by the Hon'ble High Court of Sindh. When the Scheme becomes effective and operative, it shall be treated as having effect from the date of sanction by the High Court of Sindh or such other date as may be expressly stated or approved by the Hon'ble High Court of Sindh.

7) Swap Ratio

Pursuant to the Scheme, the BEL-Kotri Unit 1 Undertaking is being transferred to the Company at book value and in consideration thereof the Company shall allot and issue shares to the

shareholders of BEL on the basis of the break-up value of the existing issued and paid-up shares of the Company which is significantly higher than the market value of the shares (at the time of approval of the Scheme by the respective board of directors of the Company and BEL). The share swap ratio has been calculated, on the basis of the calculations set out by Mushtaq and Company, Chartered Accountants, in their lettered dated 7 April 2021 as **0.27755** share in the Company to be issued for each 1 share in BEL.

8) Financial Statement

In compliance with Section 282(2)(e) of the Companies Act, 2017, audited financial statements of the Company and BEL for the half year ended December 31, 2021 are attached herewith.

9) Business

The Company is engaged in spinning and weaving activities and one of the leading producers of yarn and fabric. The company operates with one spinning unit located in Sindh whereas one spinning unit and weaving unit are located in Punjab. Besides, the work is still in progress for one more spinning unit to be established in Punjab.

BEL is an unlisted public company engaged in power generation activities. BEL currently operates in Sindh and Punjab.

10) Interest of Creditors

The Scheme will not affect the security of the existing secured creditors of the Company. The execution of the Scheme will not constitute a breach or an event of default by the Company under the existing financing documents.

11) Interest of Directors / CEO / Majority Shareholders

All the directors/ Chief Executive and majority shareholders of the Company are interested in the Scheme to the extent of their common directorships and respective shareholdings in the Company (to the extent applicable). The effect of the Scheme on the interest of these directors does not differ from its effect on the like interests of other members of the Company and BEL.

SCHEME OF ARRANGEMENT

**IN TERMS OF SECTIONS 279 TO SECTION 283 AND SECTION 285
OF THE COMPANIES ACT, 2017**

BETWEEN

**BHANERO ENERGY LIMITED
and its members**

AND

**BHANERO TEXTILE MILLS LIMITED
and its members**

This is a Scheme of Arrangement (the "Scheme") pursuant to sections 279 to 283 and section 285 of the Companies Act, 2017.

BETWEEN

Bhanero Energy Limited, a public unlisted company established and existing under the laws of Pakistan and having its registered office at 23/1 Umer House, S.M. Farooq Road, Korangi Industrial Area, Sector 23 (hereinafter referred to as "BEL" which expression, unless repugnant to the context or meaning hereof, shall include its successor(s), administrator(s) or permitted assignee(s));

Bhanero Textile Mills Limited, a public listed company established and existing under the laws of Pakistan and having its registered office at 23/1 Umer House, S.M. Farooq Road, Korangi Industrial Area, Sector 23 (hereinafter referred to as "BTML" which expression, unless repugnant to the context or meaning hereof, shall include its successor(s), administrator(s) or permitted assignee(s); and

the respective members of BEL and BTML.

Whereas, the BEL owns and operates two (2) power generation facilities, one having gross capacity of 3.726 MW located at E-2, S.I.T.E Kotri, Sindh (the "BEL-Kotri Unit 1"), and the other having a gross capacity of 33.694MW located at 18-KM, Sheikhpura-Faisalabad Road, Feroze Watwan, Punjab.

Whereas, the BEL-Kotri Unit 1 sells its entire generated energy to BTML's textile facility located at Kotri, Sindh.

Whereas, the respective board of directors of BEL and BTML have proposed a reorganization and restructuring of the assets and liabilities of BEL and BTML such that at the Effective Date (defined below), the BEL-Kotri Unit 1 Undertaking (defined below) will stand transferred to, vested in and assumed by BTML and, simultaneously, 5.99% of the shareholding of each BEL Shareholder will stand cancelled and resultingly the paid up capital of BEL will be reduced accordingly.

And whereas, in consideration of the transfer of the BEL-Kotri Unit 1 Undertaking from BEL to BTML, the BEL Shareholders (defined below) be issued BTML Shares (defined below) in proportion to their existing shareholding.

And whereas, it is proposed that upon the transfer to and vesting in of the BEL-Kotri Unit 1 into BTML as set out in this Agreement, BEL will continue to own and operate the BEL Retained Undertaking (defined below) and will not be wound up.

And whereas, this Scheme, if approved by a majority in number representing three-fourths in value of the respective members of BEL and BTML and sanctioned by the Court by an order passed in this behalf, is to be binding on BEL and BTML and their respective members, creditors, contracting parties, the government, tax and regulatory / statutory bodies, authorities, and all other third parties on and from the Effective Date.

Now, therefore, this Scheme is presented as follows:

Part 1. Definitions and Interpretation

- 1.1. In this Scheme, unless the subject or context otherwise requires, the following terms stated herein shall have the meanings assigned to them below:
- (a) "Arrangement" has been defined in Part 6 (The Arrangement).

- (d) "**BEL-Kotri Unit 1 GIDC Claims**" means, as at the Effective Date, all liabilities and obligations in respect of the gas infrastructure cess, and all government investigations, Claims, suits, appeal and other ongoing legal proceedings before any court or authority, and any judgements, orders and/or directions, relating to BEL-Kotri Unit 1 in respect of the gas infrastructure development cess including those before the Sindh High Court in Suit No. 1339 of 2020, Suit No. 1848 of 2021, High Court Appeal No. 211 of 2017 and High Court Appeal No. 101 of 2020.
- (e) "**BEL-Kotri Unit 1**" has been defined in the recitals to this Scheme.
- (f) "**BEL-Kotri Unit 1 Undertaking**" means the assets, liabilities and obligations of BEL-Kotri Unit 1 as more particularly described in this Scheme and in Schedule 1 (*BEL-Kotri Unit 1 Undertaking*).
- (g) "**BEL Retained Undertaking**" means all assets, liabilities and obligations of BEL, excluding BEL-Kotri Unit 1 Undertaking, which will be retained by BEL as described in the BEL Financial Position.
- (h) "**BEL Shareholders**" means persons who are registered holders of the ordinary shares of BEL and are entitled to BTML Shares in accordance with this Scheme.
- (i) "**BTML Shares**" has been defined in Part 18 (*Consideration and Related Matters*).
- (j) "**Claim**" means claim, counter claim, demand, or cause of action and includes a Contingent Claim.
- (k) "**Contingent Claim**" means any potential Claim that a company may have against any person prior to the Effective Date which may not be disclosed or reflected as part of its assets on its books or records.
- (l) "**Commission**" means the Securities and Exchange Commission of Pakistan.
- (m) "**Companies**" means BEL and BTML, and "**Company**" should be construed accordingly.
- (n) "**Court**" means the Honorable High Court of Sindh at Karachi.
- (o) "**Effective Date**" has been defined in Part 5 (*Effective Date*).
- (p) "**Scheme**" means this Scheme of Arrangement in its present form together with any modifications thereof or additions or conditions thereto approved, directed or imposed by the Court.
- (q) "**Tax**" means all present and future taxes, including income tax, sales tax, stamp duties, octroi, customs or excise duty, registration charges, levies, deductions, imposts, and any other charges and withholdings whatsoever, together with any interest, mark-up or penalties payable in connection with any failure to pay or delay in paying any of the above.

1.2. Headings are for convenience only and do not affect interpretation. The following rules apply to the interpretation of this Scheme, unless the context requires otherwise:

- (a) the singular includes the plural, and vice versa;
- (b) a gender includes all genders;
- (c) if a word or phrase is defined, its other grammatical forms have a corresponding meaning;
- (d) a reference to an agreement or document (including a reference to this Scheme) is to the agreement or document as amended, supplemented, novated or replaced, except to the extent

prohibited by this Scheme or that other agreement or document, and includes the recitals, schedules and annexures to that agreement or document;

- (f) a reference to legislation or to a provision of legislation includes a modification or re-enactment of it, a legislative provision substituted for it and a rule, regulation, notification or other statutory instrument issued under it; and
- (g) mentioning anything after "includes", "including" or other similar expressions does not limit what else might be included.

Part 2. The Companies

- 2.1. BEL is an unlisted public limited company incorporated under the laws of Pakistan. The authorised capital of BEL is PKR 150,000,000 divided into 15,000,000 ordinary shares of PKR 10 each, of which 2,463,650 ordinary shares of the aggregate value of PKR 24,636,500 are issued and fully paid and the remainder are unissued. BEL owns and operates two power generation facilities, one being the BEL-Kotri Unit 1 and the other having a gross capacity of 33.694MW located at 18-KM, Sheikhpura-Faisalabad Road, Feroze Watwan, Punjab. The BEL-Kotri Unit 1 is exclusively used for supply of electricity to BTML.
- 2.2. BTML is a public limited company incorporated under the laws of Pakistan and listed on the Pakistan Stock Exchange involved in the manufacture of textile products. The authorised capital of BTML is PKR 60,000,000 divided into 6,000,000 ordinary shares of PKR 10 each of which 3,000,000 ordinary shares of the aggregate value of PKR 30,000,000 are issued and fully paid and the remainder are unissued. BTML manufactures textiles and has textile manufacturing facilities at 18-KM, Sheikhpura-Faisalabad Road, Feroze Watwan, Punjab and the second at Kotri, Sindh.

Part 3. Object of the Scheme

- 3.1. The object of the Scheme is:
 - (a) the demerger of the BEL-Kotri Unit 1 Undertaking from BEL;
 - (b) the transfer to, and vesting in BTML, of the BEL-Kotri Unit 1 Undertaking, against the issuance of BTML Shares to the BEL Shareholders in proportion to their respective shareholding in BEL; and
 - (c) the cancellation of 5.99% of the shareholding of each BEL Shareholder and consequently reduction in the issued and paid up share capital of BEL.

Part 4. Benefits of the Scheme

- 4.1. It will be expedient and efficient to transfer the BEL-Kotri Unit 1 Undertaking from BEL to BTML. The BEL-Kotri Unit 1 Undertaking comprises of the power generation facility which supplies electricity solely to the textile facility of BTML at Kotri. The BEL-Kotri Unit 1 Undertaking is not utilized for any other commercial activity. On sanction of this Scheme, BTML will be enabled to directly exercise control over and manage the affairs of BEL-Kotri Unit 1 Undertaking in the best interests of BTML and its members. As BEL has no activities in Sindh outside of the BEL-Kotri Unit 1, BEL will cease to have operations in the province of Sindh and will continue operations only in Punjab.
- 4.2. In addition to the above, on transfer of the BEL-Kotri Unit 1 Undertaking to the BTML, the BTML will no longer be entirely dependent on purchase of electricity for its textile facility at Kotri from another entity as the energy requirements of BTML will be fully or substantially met by BTML inhouse through the BEL-Kotri Unit 1. As BTML will be able to generate electricity for its textile

facility at Kotri in house through the BEL-Kotri Unit 1 Undertaking, there will also be a reduction in the energy costs of BTML, thus making BTML more competitive.

Part 5. Effective Date

- 5.1. This Scheme shall become operative and effective and bind the Companies and their respective members, creditors and all other third parties upon the passing of the order sanctioning this Scheme by the Court. When this Scheme becomes effective and operative, it shall be treated as having effect from the date on which this Scheme is sanctioned or as may otherwise be expressly stated or approved by the Court (the "Effective Date").
- 5.2. Each of the Companies shall file a certified copy of the order of the Court sanctioning the Scheme with the Registrar of Companies in accordance with Section 279 of the Companies Act, 2017.

Part 6. The Arrangement

- 6.1. At the Effective Date:
 - (a) The BEL-Kotri Unit 1 Undertaking shall stand demerged from BEL and transferred to, vested in and assumed by BTML subject to and in accordance with the terms and conditions set forth in this Scheme against the allotment of the BTML Shares to the BEL Shareholders; and
 - (b) 5.99% of the shareholding of BEL shall stand cancelled and the issued and paid up share capital of BEL shall be reduced accordingly.(the "Arrangement").
- 6.2. Each of the abovementioned steps as part of the Arrangement shall be deemed to take effect on the Effective Date. On occurrence of the Effective Date, the BTML shall allot the BTML Shares to the BEL Shareholders in accordance with Part 18 (*Consideration and Related Matters*).
- 6.3. The BEL Retained Undertaking shall not at any time be transferred to or vest in BTML and shall at all times remain part of BEL.

Part 7. The Board of Directors

- 7.1. The present directors of each of the Companies have been listed in Schedule 2 (*Directors of the Companies*). All of the directors are, directly or indirectly, interested in the Arrangement to the extent of their respective shareholdings and common directorships, as and to the extent applicable except for the directors listed in Schedule 3 (*List of Directors Without Interest*). The effect of this Scheme on the interests of those directors of a Company interested as shareholders in the other Company does not however differ from the respective interests of the other shareholders of the Companies.
- 7.2. The respective directors of BEL and BTML are expected to continue as directors after the Arrangement / sanction of the Scheme subject to compliance with applicable laws and / or their ceasing to be directors in the meantime due to any reason(s) and appointments made in vacancies created after preparation of this Scheme.

Part 8. Transfer of Assets and Liabilities

- 8.1. At the Effective Date, all assets in respect of BEL-Kotri Unit 1 including as identified in this Scheme and Schedule 1 (*BEL-Kotri Unit 1 Undertaking*) shall (unless expressly excluded) immediately, without any conveyance or transfer, without any further act or deed and without need for the consent of third parties, be vested in and become the assets of BTML, which shall possess, hold and enjoy the same in its own right as fully and effectually as the same were possessed, held and enjoyed by BEL prior to the Arrangement.

BTML shall credit the respective CDC accounts / sub-accounts of the relevant BEL Shareholders with book entries in respect of their entitlement to the respective portion of the BTML Shares. Such allotment shall be carried out in accordance with the rules and regulations of CDC. Alternatively, in the event a BEL Shareholder does not have CDC account/sub account, the share certificates for such BEL Shareholder(s) shall be made ready for delivery as soon as practicable thereafter and notice of their readiness for their delivery shall be made to the BEL Shareholders in the prescribed manner. Any share certificates not collected shall be couriered to the respective BEL Shareholders at their registered addresses, provided however that BTML shall not be responsible for loss or damages to the share certificates on being despatched to the BEL Shareholders.

Part 19. Letter of Indemnity

- 19.1. BEL shall unconditionally and fully secure and indemnify BTML, on BTML's first written demand, and in any case not later than fifteen (15) days from the date of a demand, in the event BTML incurs any liability in relation to the BEL-Kotri Unit 1 GIDC Claims which shall stand transferred to BTML pursuant to this Scheme on the Effective Date. BEL shall immediately, if requested by BTML, deliver to BTML a letter of indemnity confirming its obligation as stated in this Part 19 (*Letter of Indemnity*) in form and substance acceptable to BTML.

Part 20. General

- 20.1. Governing Law: This Scheme shall be governed by and be construed in accordance with the laws of Pakistan.
- 20.2. Court's Directives: For the purposes of giving effect to the objects of this Scheme and for removing any lacunae, doubt or ambiguity contained in this Scheme, the Court may issue directions, either generally or specially, to the Companies which directions shall be final and binding. The Companies by their respective Chairman, Chief Executive Officer or other authorised representative appointed by their respective Board of Directors are hereby authorised to assent to any modification or amendment of this Scheme or agree to any terms and/or conditions which the Court may deem fit to direct or impose. Notwithstanding the foregoing, in the event this Scheme is not approved by the members of BEL and BTML in its entirety and/or the Scheme is modified by the Court, the board of directors of BEL and BTML shall be entitled to withdraw this Scheme (whether or not approval from the members of BEL and BTML has been obtained).
- 20.3. Severability: If any provision of this Scheme is found to be unlawful and unenforceable by a competent court of law, then to the fullest extent possible all of the remaining provisions of this Scheme shall remain in full force and effect.
- 20.4. Costs: All costs and expenses incurred in connection with carrying out this Scheme into effect on and from the Effective Date shall be borne and paid by entirely by BTML.
- 20.5. Notwithstanding the provisions of the Scheme, the Companies acknowledge and agree that each of them shall take all necessary steps as may be required under applicable law to give effect to the terms of the Scheme.

**Independent Auditor's Report to the members of Bhanero Energy Limited
Report on the Audit of the Financial Statements**

Opinion

We have audited the annexed financial statements of **Bhanero Energy Limited** (the Company), which comprise the statement of financial position as at December 31, 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the period from July 01, 2021 to December 31, 2021, and notes to the financial statements, including a summary of significant accounting policies. In our opinion, the accompanying financial statements present fairly, in all material respects, give a true and fair view of the financial position of the Company as at December 31, 2021, and of its financial performance and its cash flows for the period from July 01, 2021 to December 31, 2021 in accordance with International Financial Reporting Standards as notified under the Companies Act, 2017 and provisions of and directives issued under the Companies Act, 2017.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 1.3 of the financial statements in which described that the annexed financial statements for the period from July 01, 2021 to December 31, 2021 has been audited on the specific request of the board of directors of the Company to formulate and propose to the Board of Directors, as discussed and directed by the Board of Directors in their meeting held on April 05, 2022 the terms to carve out BEL Unit 1 and to merge BEL Unit 1 with and into Bhanero Textile Mills Limited (BTML) through a scheme of arrangement Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

Adaco.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with the proprietor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is Abdullah Dawood Akhawala.

2.4 *Employee benefit costs*

Defined benefit plan

The Company operates an unfunded gratuity scheme covering all its permanent employees who have completed a minimum qualifying period of service. The Company's obligation under the scheme is determined through actuarial valuation carried out at each year end under the Projected Unit Credit Method by the independent valuer. Remeasurements which comprise actuarial gains and losses are recognized immediately in other comprehensive income.

The liability recognized in the balance sheet is the present value of defined benefit obligation at the end of the reporting date as determined as per actuarial valuation. The recent valuation of the scheme was carried out as at December 31, 2021 by the management of the Company. Details of the scheme are given in note 6.1 of these financial statements.

2.5 *Provision*

Provisions are recognized when the company has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

2.6 *Taxation*

The charge for current taxation is based on taxable income at the current rate of taxation after taking into account applicable tax credit, rebates and exemption available if any. For income covered under final tax regime, taxation is based on applicable tax rates under such regime.

Profits and gains derived by the Company from electric power generation project are exempt from tax under clause 132 of the Second Schedule to the Income Tax Ordinance, 2001.

Capital gain arise on any item is taxable as per relevant section of income tax ordinance 2001.

The Company is also exempt from minimum tax on turnover under Section 113 as per clause V, clause II, of Part IV of Second Schedule to the Income Tax Ordinance, 2001.

2.7 *Trade and other payables*

Liabilities for trade and other amounts payable are measured at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether billed to the Company or not.

Adawo.

2.8 *Property, plant and equipment*

Owned

Property, plant and equipment except land and capital work in progress are stated at cost less accumulated depreciation and impairment in value, if any. Land and capital work in progress are stated at cost.

Depreciation is charged to income applying reducing balance method except plant and machinery, the units of production/output method is used at the rates specified in the operating assets note 10.

In respect of additions and disposals during the year, depreciation is charged from the month of acquisition and up to the month preceding the disposal respectively.

Assets residual values, if significant and their useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Normal repair and maintenance costs are charged to income during the period in which they are incurred. The company once in a three year period incurred major capital expenditure on overhauling of its power generators, which is depreciated over three year period on straight line basis.

Gain and loss on disposal of property, plant and equipment, if any, are recognized as and when incurred.

Capital work in progress

All expenditure connected with specific assets incurred during installation and construction period are carried under capital work in progress. These are transferred to specific assets as and when these assets are available for use.

2.9 *Asset held for sale*

Non-current assets, or disposal groups comprising assets and liabilities, are classified as held-for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use.

Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell. Any impairment loss on a disposal group is allocated first to goodwill, and then to the remaining assets and liabilities on a pro rata basis, except that no loss is allocated to inventories, financial assets, deferred tax assets, employee benefit assets, investment property or biological assets, which continue to be measured in accordance with the Group's other accounting policies. Impairment losses on initial classification as held-for-sale or held-for distribution and subsequent gains and losses on remeasurement are recognized in profit or loss.

Once classified as held-for-sale, intangible assets and property, plant and equipment are no longer amortized or depreciated, and any equity-accounted investee is no longer equity accounted.

2.10 *Impairment of assets*

Financial assets

The impairment model applies as per IFRS 9 to financial assets measured at amortized cost, contract assets and debt investments at FVTOCI, but not to investments in equity instruments.

Under IFRS 9, loss allowances are measured on either of the following basis:

-12 - months ECLs: These are ECLs that result from possible default events within the 12 months after the reporting date; and

-Lifetime ECLs: These are ECLs that result from all possible default events over the expected life of a financial instruments

Adaw.

The Company recognizes a loss allowance for expected credit losses on financial assets that are measured at amortized cost as explained above.

Non-financial assets

The carrying amounts of non-financial assets, except deferred tax asset, are reviewed at each balance sheet date to ascertain whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognized, as an expense in the profit and loss account, for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units).

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net off depreciation or amortization, if no impairment loss had been recognized.

2.11 Investment property

Property held to earn rentals or for capital appreciation or both and which is not in Company's own use is classified as investment property. The investment property of the Company comprise of land and is valued using cost model i.e. at cost and identified impairment loss, if any.

Maintenance and normal repairs are charged to Profit & loss as and when incurred. Major renewals and improvements are capitalized.

2.12 Investment

Regular way purchase or sale of investments

All purchases and sales of investments are recognized using trade date accounting. Trade date is the date that the Company commits to purchase or sell the investment.

Investments in equity instruments of subsidiary and associated companies

These investments are measured at cost.

Fair value through other comprehensive income or loss

Investment securities held by the Company which may be sold in response to needs for liquidity or changes in interest rates or equity prices are classified as available for sale. These investments are initially recognized at fair value plus transaction cost and subsequently re-measured at fair value. The investments for which quoted market price is not available, are measured at costs as it is not possible to apply any other valuation methodology. Gains and losses arising from re-measurement at fair value is recognized directly in the equity under fair value reserve until sold, collected, or otherwise disposed off at which time, the cumulative gain or loss previously recognized in equity is included in profit and loss account.

Financial assets at fair value through profit or loss

There are investments designated at fair value through profit or loss at inception. There are initially measured at fair value and changes on re-measurement are taken to profit and loss account.

Adaw.

Amortized Cost

Held to maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity that the Company has the positive intent and ability to hold to maturity. Held to maturity investments are initially recognized at cost inclusive of transaction cost and are subsequently carried at amortized cost using effective interest rate method, less any impairment loss. Gains and losses are recognized in the income statement when the investments are de-recognized or impaired, as well as through the amortization process.

Derecognition

All investments are de-recognized when the rights to receive cash flows from the investments have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

2.13 *Stores and spares*

These are valued at the cost, determined on moving average cost less allowance for obsolete and slow moving items(if any). Items in transit are valued at invoice values plus other charges incurred thereon up to balance sheet date.

2.14 *Debtors and other receivables*

Debtors and other receivables are carried at original invoice amount less an estimate made for doubtful receivables based on review of outstanding amounts at the year end. Balances considered bad and irrecoverable are written off when identified. Other receivable are recognized and carried at cost which approximate its fair value.

2.15 *Financial instruments*

a) Initial Recognition

All financial assets and liabilities are initially measured at cost which is the fair value of the consideration given or received. These are subsequently measured at fair value, amortized cost or cost as the case may be.

b) Classification of financial assets

The Company classifies its financial instruments in the following categories:

- a) at fair value through profit and loss ("FVTPL"),
- b) at fair value through other comprehensive income ("FVTOCI"), OR
- c) at amortized cost.

The Company determines the classification of financial assets at initial recognition. The classification of instruments (other than equity instruments) is driven by the Company's business model for managing the financial assets and their contractual cash flow characteristics.

Financial assets that meet the following conditions are subsequently measured at amortized cost:

-the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and

-the contractual terms of the financial asset give rise on specified dates to cash flows that are solely Payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at FVTOCI:

-the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and

Adaw

-the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at FVTPL.

b) Classification of financial liabilities

The company classifies its financial liabilities in the following categories:

- a) at fair value through profit or loss or,
- b) at amortized cost

Financial liabilities are measured at amortized cost, unless they are required to be measured at FVTPL (such as instruments held for trading or derivatives) or the Company has opted to measure them at FVTPL.

c) Subsequent measurement

Financial assets at FVTOCI

Elected investments in equity instruments at FVTOCI are initially recognized at fair value plus transaction costs. Subsequently, they are measured at fair value, with gains or losses arising from changes in fair value recognized in other comprehensive income/(loss).

Financial assets and liabilities at amortized cost

Financial assets and liabilities at amortized cost are initially recognized at fair value, and subsequently carried at amortized cost, and in the case of financial assets, less any impairment.

Financial assets and liabilities at FVTPL

Financial assets and liabilities carried at FVTPL are initially recorded at fair value and transaction costs are expensed in the statement of profit or loss and other comprehensive income. Realized and unrealized gains and losses arising from changes in the fair value of the financial assets and liabilities held at FVTPL are included in the statement of profit or loss and other comprehensive income in the period in which they arise. Where management has opted to recognize a financial liability at FVTPL, any changes associated with the Company's own credit risk will be recognized in other comprehensive income/(loss). Currently, there are no financial liabilities designated at FVTPL.

Impairment of financial assets

The impairment model applies to financial assets as per IFRS 9 measured at amortized cost, contract assets and debt investments at FVTOCI, but not to investments in equity instruments.

Under IFRS 9, loss allowances are measured on either of the following basis:

-12 - months ECLs: These are ECLs that result from possible default events within the 12 months after the reporting date; and

-Lifetime ECLs: These are ECLs that result from all possible default events over the expected life of a financial instruments

The Company recognizes a loss allowance for expected credit losses on financial assets that are measured at amortized cost as explained above.

Adaw.

Financial Assets

The Company derecognizes financial assets only when the contractual rights to cash flows from the financial assets expire or when it transfers the financial assets and substantially all the associated risks and rewards of ownership to another entity. On derecognition of a financial asset measured at amortized cost, the difference between the asset's carrying value and the sum of the consideration received and receivable is recognized in profit or loss. In addition, on derecognition of an investment in a debt instrument classified as at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to profit or loss. In contrast, on derecognition of an investment in equity instrument which the Company has elected on initial recognition to measure at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to profit or loss, but is transferred to statement of changes in equity.

2.16 Revenue recognition

Revenue on account of energy is recognized on transmission of electricity using the 'performance obligation satisfied over time' approach under IFRS 15 as the customer simultaneously receives and consumes the benefits provided by the Company's performance. There is no significant financing component attached to the receivables from the customer. Company submits invoices of energy on monthly basis.

Income on bank deposits are recorded on time proportionate basis using effective interest rate.

Rental income from investment property that is leased to a third party under an operating lease is recognized in the statement of profit or loss on a straight-line basis over the lease term and is included in 'other income'.

2.17 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand and balances with banks.

2.18 Dividend and other appropriations

Dividend and other appropriations are recognized as a liability in the financial statements in the period in which the dividend and other appropriations are approved by the Company's shareholders.

2.19 Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount reported in the balance sheet, if the Company has a legal enforceable right to set off the transaction and also intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

2.20 Foreign currencies

Transactions in currencies other than Pak. Rupees are recorded at the rates of exchange prevailing on the dates of the transaction. At each balance sheet date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the balance sheet date except where forward exchange contracts have been entered into for repayment of liabilities, in that case, the rates contracted for are used.

Gains and losses arising on retranslation are included in net profit or loss for the period.

2.21 Earning per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

Adaw.

2.22 Use of estimates and judgments

The preparation of financial statements in conformity with international financial reporting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if revision affects both current and future periods.

Judgments made by management in the application of approved accounting standards, as applicable in Pakistan, that have a significant effect on the financial statements and estimates with significant risk of material judgment in the next financial year are set forth below:

- Useful lives of property, plant and equipment (note 10.1); and
- Provision for staff gratuity (note 7.1);

28 FINANCIAL RISK MANAGEMENT

The Board of Directors has overall responsibility for the establishment and oversight of the Company's financial risk management. The responsibility includes developing and monitoring the Company's risk management policies. To assist the Board in discharging its oversight responsibility, management has been made responsible for identifying, monitoring and managing the Company's financial risk exposures. The Company's exposure to the risks associated with the financial instruments and the risk management policies and procedures are summarized as follows:

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss, without taking into account the fair value of any collateral. Concentration of credit risk arises when a number of financial instruments or contracts are entered into with the same party, or when counterparties are engaged in similar business activities, or have activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. The Company does not have any significant exposure to customers from any single customer.

The Company is exposed to credit risk from its operating activities primarily for trade debts and balances / deposits with banks. The carrying amount of financial assets represents the maximum credit exposure.

Trade debts

The trade debts at year end are due from local customers against local sales. Management assesses the credit quality of customers, taking into account their financial position, past experience and other factors. The Company's exposure to credit risk arising from trade debtors is mainly influenced by the individual characteristics of each customer. The Company has no major concentration of credit risk with any single customer. The Company establishes an allowance for impairment that represents its estimate of incurred losses for overdue balances based on analysis of each customer.

Adaw.

Balances with banks

The Company deposits its fund with banks carrying good credit standings assessed by reputable credit agencies. These banks are credit rated as follows:

Name of the Bank	Credit Rating		Rating agency
	Short term	Long term	
MCB Bank Limited	A1+	AAA	PACRA
National Bank of Pakistan	A1+	AAA	VIS
Dubai Islamic Bank Pakistan Limited	A1+	AA	VIS
Bank Al-Habib Limited	A1+	AAA	PACRA
United Bank Limited	A1+	AAA	VIS

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company could be required to pay its liabilities earlier than expected or would have difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due without incurring unacceptable losses or risking damage to the Company's reputation. The Company manages liquidity risk by maintaining sufficient cash and bank balances and availability of financing through banking arrangements. The following are the contractual maturities of financial liabilities, including interest payments, excluding the impact of netting

	Carrying amount	Contractual Maturity	Maturity up to one year	Maturity after one year
December 31, 2021				
		←-----Rupees-----→		
Long term financing	63,073,948	63,073,948	10,091,744	52,982,204

June 30, 2021				
Long term financing	68,119,820	68,119,820	10,091,744	58,028,076
Trade and other payables	102,185,115	102,185,115	102,185,115	-

Market risk

Market risk is the risk that changes in prices and interest rates will affect the Company's income.

The Company is exposed to interest rate risk and currency risk.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short-term borrowings with floating interest rates.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased / (decreased) equity and the profit after tax by Rs. 0.63 million (2021: Rs. 0.68 million) with the corresponding effect on the carrying amount of the liability. This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the company's operating activities (when revenue or expense are denominated in a different currency from the Company's functional currency). As at December 31, 2021, there are no financial assets and liabilities exposed to

Fair value of financial assets and financial liabilities

The carrying values of financial assets and financial liabilities reported in the financial statements approximate their fair values.

Fair value hierarchy

The Company has adopted the amendments to IFRS 7 for financial instruments that are measured in the balance sheet at fair value. This amendment requires fair value measurement disclosures using following three level fair value hierarchy that reflects the significance of the inputs used in measuring fair value of financial instruments.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices). The Company has no items to report in this level.

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company does not have any investment in any of the category.

Adaw.

29 **CAPITAL RISK MANAGEMENT**

The Company's objectives, policies and processes for managing capital are as follows:

- The Company is not subject to any externally imposed capital requirements.
- The Company's objective when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.
- Consistently with others in the industry, the Company monitors capital on the basis of the debt-to-equity ratio. This ratio is calculated as net debt divided by adjusted capital. Net debt is calculated as total debt (as shows in the balance sheet) less cash and bank balances. Adjusted capital comprises of net debts and all components of equity (i.e. share capital and unappropriated profit).

The Company's strategy is to maintain its debt-to-adjusted capital ratio up to 10%. The debt-to-adjusted capital ratios at December 31, 2021 and June 30, 2021 were as follows:

	<i>Dec, 31</i> <i>2021</i> <i>Rupees</i>	<i>June, 30</i> <i>2021</i> <i>Rupees</i>
Total debts	63,073,948	68,119,820
Total equity	<u>1,292,471,985</u>	<u>1,231,138,215</u>
Adjusted capital	<u>1,355,545,933</u>	<u>1,299,258,035</u>
Debt-to-adjusted capital ratio %	<u>4.65%</u>	<u>5.24%</u>

The Company's liquidity improved during the period/year, therefore no further debts were obtained.

30 **PLANT CAPACITY AND PRODUCTION**

	<i>Dec, 31</i> <i>2021</i>	<i>June, 30</i> <i>2021</i>
	----- Kilowatt-hour -----	
<i>Generation capacity:</i>		
Unit 1	27.74	27.74
Unit 2	233.40	233.40
<i>Actual production:</i>		
Unit 1	11.43	23.27
Unit 2	0.24	0.54

The under utilization of generation capacity is due to high price of furnace oil and lack of demand by spinning and weaving unit because they have their own power generation plant on gas. High prices of furnace oil increase cost of production of electricity. Management compare the cost of production and decides which source provide less costly electricity to the weaving and spinning units.

31 **IMPACT OF COVID-19 ON THE FINANCIAL STATEMENTS**

There is no financial impact of COVID-19 on the carrying amount of the assets and liabilities or items of income and expenses, as required under relevant accounting and reporting standards.

The management has evaluated and concluded that there is no material implications of COVID 19 that require specific disclosure in the financial statements.

32 **DATE OF AUTHORISATION FOR ISSUE**

These financial statements were authorized for issue on April 05, 2022 by the Board of Directors of the company.

33 **GENERAL**

-The statement of profit or loss and other comprehensive income , statement of cash flows and statement of changes in equity for the period from July 01, 2021 to December 31, 2021 (i.e. six months) does not represents the full year of operation, therefore the comparatives are not comparable.

Management is responsible for the preparation and presentation of the Statement in accordance with the basis of preparation mentioned in note 2 to the statement, and for such internal control as management determines is necessary to enable the preparation of the Statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with International Standards on Auditing as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by management, as well as evaluating the overall presentation of the Statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Statement are prepared, in all material respects, in accordance with the basis of preparation mentioned in note 2 to the Statement.

Basis of Accounting and Restriction on Distribution and Use

Without modifying our opinion, we draw attention to notes 1.2 and 1.3 to the Statement which describes the basis of accounting and the fact that the undertaking is not operated as separate entities.

5 CONTINGENT LIABILITY

The ongoing cases, proceedings and claims in relation to BEL Unit 1 for GIDC will be transferred to BTML. These will include the suits and appeals pending before the Sindh High Court to which BEL is or becomes a party including High Court Appeal No. 241 of 2017 and High Court Appeal No. 101 of 2020, and Suit No. 1848 of 2021 and Suit No. 1339 of 2020.

The Supreme Court of Pakistan in its judgment dated 13 August 2020 passed in civil appeal no. 1117/2017 etc. had directed the federal government to commence work on the laying of the North-South pipeline within 6 months such that in case no work is carried out on North-South pipeline within the prescribed time and for laying any of the two other major pipelines though the political conditions become conducive, the purpose of levying cess shall be deemed to have been frustrated and the GIDC Act, 2015, would become permanently inoperational and considered dead for all intents and purposes. The Supreme Court had additionally stated that all industrial and commercial entities consume gas for their business activities and pass on the burden of the same to the consumers, and that recoveries in respect of the cess shall be made, if not recovered so far, from the consumers of the companies responsible to pay cess under the GIDC Act, 2015.

In suit no. 1848 of 2021, BEL has, inter alia, sought a declaration that due to non-compliance with the decision of the Supreme Court of Pakistan as aforesaid, the Gas Infrastructure Cess Act, 2015, and the demands raised thereunder have become inoperational and dead for all intents and purposes on the expiry of the 6 month period.

In Suit No. 1339 of 2020, it was contested by BEL that it is a gas consumer and that arrears of the gas infrastructure development cess mentioned in the bill issued to BEL are illegal and that BEL is not liable to pay installments of gas infrastructure development cess arrears to the SSGC as it has not passed on the incidence of the cess onwards to its consumers/clients. A stay order was granted by the Sindh High Court on 29 September 2020 in terms of which the defendants were restrained from taking any coercive action against BEL in relation to non-payment of gas infrastructure development cess arrears and from disconnecting the gas connection of BEL.

Under the Scheme BEL will agree to unconditionally and fully secure and indemnify BTML on BTML's first written demand against any liability incurred by BTML in connection with the cases, proceedings or claims etc. relating to gas infrastructure cess. BEL will also provide an open ended corporate guarantee as security for the said obligation.

6 DATE OF AUTHORISATION

The Statement has been approved by the Board of Directors of the Company on April 05, 2022.

Independent auditor's report to the members of Bhanero Textile Mills Limited

Report on the Audit of the Special Purpose Financial Statements

Opinion

We have audited the annexed special purpose financial statements of **Bhanero Textile Mills Limited**, which comprise the statement of financial position as at December 31, 2021, and the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the period from July 01, 2021 to December 31, 2021, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at December 31, 2021 and of the profit and other comprehensive income, the changes in equity and its cash flows for the period from July 01, 2021 to December 31, 2021.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Paragraph

We draw attention to note 2.2 of the special purpose financial statements which describes the basis of accounting. The financial statement has been prepared in pursuance of an arrangement between the shareholders of the Company and Bhanro Energy Limited Unit I, as a result the financial statement and our report thereon may not be suitable for another purpose. Our report is solely for the use of the board of directors of the company and should not be used by the parties other than the board of directors. Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the annual report, but does not include the financial statements of the company and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion there on.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our

**Notes to the financial statements
For The Half Year Ended Dec 31, 2021**

1 THE COMPANY AND ITS OPERATIONS

- 1.1** Bhanero Textile Mills Limited (the Company) was incorporated on 30th March 1980 as a public limited company in Pakistan under repealed Companies Ordinance, 1984 now the Companies Act, 2017 and is quoted on Pakistan Stock Exchanges Limited. The registered office of the Company is located at Umer House, 23/1, Sector 23, S. M. Farooq Road, Korangi Industrial Area Karachi.
- 1.2** The company is principally engaged in manufacturing and sales of yarn and fabric. The production facilities are located at Kotri, District Dadu in the province of Sindh and Feroze Wattwan, District Sheikhpura in the province of Punjab.

2 Basis of Preparation

2.1 Statement of compliance

These special purpose financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan in so far as they relate to the recognition and measurement criteria but without incorporating the correspondence figures and disclosures and using the same accounting policies as were used for the preparation of the latest audited financial statements of the Company for the year ended June 30, 2021. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as notified under the Companies Act, 2017; and
- Provision of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

- 2.2** These special purpose audited financial statements are prepared for the period from 1 July 2021 to 31 December 2021 for the purpose of scheme of arrangement proposed to merge Bhanero Energy Limited(BEL) Unit 1 with and into Bhanero Textile Mills Limited (BTML) through the said scheme of arrangement, the draft of which has been approved by the Board of Directors, to be entered into between BEL and BTML, subject to finalization of the scheme and fulfilment of necessary legal facilities. As a result, these special purpose financial statements may not be suitable for any other purpose. Our report is intended solely for the use of the Board of Directors in connection with the above mentioned purpose and should not be distributed to or used by parties other than the Board of Directors.

2.3 Basis of measurement

These financial statements have been prepared on the historical cost convention except for certain financial instruments at fair value and employees retirement benefits at present value. In these financial statements, except for cash flow statements, all transactions have been accounted for on accrual basis.

2.4 Functional and presentation currency

These financial statements are presented in Pakistan Rupees which is also the company's functional currency. All financial information presented in Pakistan Rupees has been rounded off to the nearest Rupee.

Notes to the financial statements

For The Half Year Ended Dec 31, 2021

2.5 Use of estimates and judgements

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgements, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by the management in the application of approved accounting standards, as applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 45 to these financial statements.

8.1.1 Deferred taxation has been recognized as follows

Recognized through OCI

8.1.2

Revenue from export sales of the Company is subject to taxation under the final tax regime, while the remaining portion of revenue attracts assessment under normal provisions of the Ordinance. Deferred tax is provided for only that portion of timing differences that represent income taxable under normal provisions of the Ordinance. These differences are calculated at that proportion of total timing differences that the local sales, other than the indirect exports taxable under section 154 (3) of the Ordinance, bear to the total sales revenue based on historical and future trends. Deferred tax has been calculated at 29% of the timing differences so determined based on tax rates notified by the Government of Pakistan for future tax years.

auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is **Zahid Hussain Zahid, FCA.**

FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

Fair value of financial instruments

Fair value is the amount for which an asset could be exchanged, or a liability settled between knowledgeable willing parties in an arms length transaction. As at Dec 31, 2021 the net fair value of all financial instruments has been based on the valuation methodology outlined below:-

Long-term deposits

Long term deposits does not carry any rate of return. The fair value of it has been taken at book value as it is not considered materially different and readily exchangeable.

Non-current liabilities

For all non-current liabilities the fair values have been taken at book values as these are not considered materially different based on the current market rates of return and reprising profiles of similar non-current liabilities.

Other financial instruments

The fair values of all other financial instruments are considered to approximate their book values as they are short term in nature.

The analysis of yield / mark-up rate risk is as under:

Interest rate risk management

Interest rate risk arises from the possibility that changes in interest rates will affect the value of financial instruments. Changes in interest rates can affect the rates charged on interest bearing liabilities. This can result in an increase in interest expense relative to financial borrowings or vice versa. The Company manages its risk by interest rate swapping, maintaining a fair balance between interest rates and financial assets and financial liabilities. The effective interest rates for the monetary financial assets and liabilities are mentioned in respective notes to the financial statements.

Credit risk and concentration of credit risk

Credit risk represents the accounting loss that would be recognized at the reporting date if counter parties fail to perform as contracted. Out of the total financial assets of PKR 2,378,323,984, unsecured local trade debts, advances to suppliers, and other receivables amounting in aggregate to PKR 1,851,650,478 are subject to credit risk. The Company manages its credit risk by; limiting significant exposure to any individual customers and obtaining advance against sales.

Liquidity risk

Liquidity risk reflects the Company's inability in raising funds to meet commitments. The management closely monitors the Company's liquidity and cash flow position. This includes maintenance of statement of financial position liquidity ratios, debtors and creditors concentration both in terms of the overall funding mix and avoidance of undue reliance on large individual customer.

Foreign exchange risk management

Foreign currency risk arises mainly where receivables and payables exist due to transactions in foreign currencies. As at Dec 31, 2021, the total foreign currency risk exposure was PKR 353,172,466 in respect of foreign trade debts.

Credit quality of counter parties is assessed based on historical default rates. All loans and receivables not past due are considered good. The management believes that allowance for impairment of loans and receivables past due is not necessary, as these comprise amounts due from old customers, which have been re-negotiated from time to time and are

43.5.4 Collateral held

The Company does not hold collateral to secure its loans and receivables. However, foreign trade receivables of the Company are secured through letters of credits and exposure to credit risk in respect of these is minimal.

For The Half Year Ended Dec 31, 2021

43.6 Liquidity risk

Following are the contractual maturities of financial liabilities, including estimated interest payments

	As at December 31, 2021				
	Carrying amount Rupees	Contractual cash flows Rupees	One year or less Rupees	One to five years Rupees	More than five years Rupees
Long term financing	2,666,565,469	3,549,554,935	300,096,407	1,571,208,933	1,678,249,595
Accrued mark-up / interest	23,361,391	23,361,391	23,361,391	-	-
Trade creditors	573,043,478	573,043,478	573,043,478	-	-
Accrued liabilities	275,456,108	275,456,108	275,456,108	-	-
Unclaimed dividend	1,720,632	1,720,632	1,720,632	-	-
Other payables	88,752,567	88,752,567	88,752,567	-	-
	3,660,197,120	4,545,696,643	1,296,238,115	1,571,208,933	1,678,249,595

43.7 Market risk

43.7.1 Currency risk

- a) The Company's exposure to currency risk as at the reporting date is as follows:

Trade receivables	350,334,354
Cash and cash equivalents	2,838,112
Total exposure	<u>353,172,466</u>

- b) Exchange rates applied as at the reporting date.

The following spot exchange rates were applied as at the reporting date wherever applicable.

	Dec 31, 2021	
	Assets Rupees	Liabilities Rupees
CHF	194.65	194.10
JPY	1.5410	1.5460
Euro	201.18	201.74
CNY	28.15	28.22
USD	177.45	177.95

A ten percent appreciation in Rupee would have decreased profit or loss by PKR 35,317,247. A ten percent depreciation would have had the equal but opposite effect on profit or loss. This sensitivity analysis based on assumption that all variables, with the exception of foreign exchange rates, remain unchanged.

43.7.2 Interest rate risk

The interest rate profile the Company's interest bearing financial instruments as at the reporting date is as follows:

Fixed rate instruments

Financial assets	184,444,861
Financial liabilities	2,530,038,883

Variable rate instruments

Financial assets	-
Financial liabilities	62,645,155

The Company is not exposed to interest rate risk in respect of its fixed rate instruments. A 100 basis points increase in variable interest rates would have decreased profit or loss by PKR 626,451. A 100 basis points increase in variable interest rate would have had an equal but opposite impact on profit or loss.

**Notes to the Financial Statements
For The Half Year Ended Dec 31, 2021**

43.7.3 Other Price Risk

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The company is not exposed to commodity price risk as it does not hold financial instruments based commodity prices.

43.8 Fair value of financial assets and liabilities

The following table shows the carrying amounts and fair values of financial assets and liabilities. The fair value of financial assets measured at fair value is shown below. It does not include fair value information for financial assets and financial liabilities not measured at fair value as the carrying amount is a reasonable approximation of fair value.

	Carrying amount		
	Dec-21		
	At amortized cost	Fair value through profit or loss	Fair value through other comprehensive income
	-----Rupees-----		
Financial assets			
Long term deposits	41,621,816	-	-
Trade debts	1,835,119,346	-	-
Advances to employees	4,346,979	-	-
Refundable trade deposits	190,837,811	-	-
Other receivables	8,930,556	-	-
Cash at banks	294,213,879	-	-
	2,375,070,387	-	-
Financial Liabilities			
Long term financing	2,666,565,469	-	-
Short term borrowings	31,297,475	-	-
Accrued mark-up / interest	23,361,391	-	-
Trade creditors	573,043,478	-	-
Accrued liabilities	275,456,108	-	-
Unclaimed dividend	1,720,632	-	-
Other payables	14,644,044	-	-
	3,586,088,597	-	-

The basis for determining fair values is as follows:

Interest rates used for determining fair value

The interest rates used to discount estimated cash flows, when applicable, are based on the government yield curve at the reporting date plus an adequate credit spread. Since the majority of the financial assets are fixed rate instruments, there is no significant difference in market rate and the rate of instrument, fair value significantly approximates to carrying value.

TRANSACTIONS WITH RELATED PARTIES

The associated undertaking and related parties comprise associated companies, directors and key management personnel. Names, basis of relationship and transaction with associated undertakings and related parties, other than remuneration and benefits to key management personnel under the term of their employment as disclosed in note 37 are as follow:

Name of the Company	Basis of relationship	Percentage of shareholding
Faisal Spinning Mills Limited	Common directorship	N/A
Blessed Textiles Limited	Common directorship	N/A
Bhanero Energy Limited	Common directorship	N/A
Admiral (Private) Limited	Directorship of close family relative	N/A

Nature of relationship	Nature of transactions	31-Dec-21 Rupees
Associated undertaking	Services received	154,500
	Electricity purchased	210,227,194
	Purchase of yarn, fabric	113,122,337
	Sales of cotton, yarn, fabric	564,123,959

44.1 Detail of compensation to key management personnel comprising of chief executive officer, director and executives is disclosed in note 37.

Accounting Estimates and Judgments

1 Income taxes

In making the estimates for income taxes currently payable by the Company, the management looks at the current income tax law and the decisions of appellate authorities on certain issues in the past.

2 Investment stated at fair value

Management has determined fair value of certain investments by using quotations from active market conditions and information about the financial instruments. These estimates are subjective in nature and involve some uncertainties and matters of judgment (e.g. valuation, interest rate, etc.) and therefore, cannot be determined with precision.

3 Property, plant and equipment

The Company reviews the rate of depreciation, useful life, residual value and value of assets for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding affect on the depreciation charge and impairment.

4 Stock-in-trade and stores and spares

The Company reviews the net realizable value of stock-in-trade and stores and spares to assess any diminution in the respective carrying values. Any change in the estimates in future years might affect the carrying amounts of stock-in-trade and stores and spares with a corresponding affect on the amortization charge and impairment. Net realizable value is determined with respect to estimated selling price less estimated expenditures to make the sales.

5 Interest rate and cross currency swap

The Company has entered into various interest rates and cross currency swap over the last year. The calculation involves use of estimates with regard to interest and foreign currency rates which fluctuate with the market forces.

Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Board of Directors monitors the return on capital and level of dividends to ordinary shareholders. The Company seeks to keep a balance between the higher return that might be possible with higher level of borrowings and the advantages and security afforded by a sound capital position. The Company monitors capital using the gearing ratio which is debt divided by total capital employed. Debt comprises long term finances including current maturity. Total capital employed includes total equity as shown in the statement of financial position plus debt. The Company's strategy is to maintain an optimal capital structure in order to minimize cost of capital. Gearing ratio of the Company as at the reporting date is as follows:

	31-Dec-21 Rupees
Total debt	2,750,184,120
Total equity	7,983,248,542
	<u>10,733,432,662</u>
Gearing	26%

There were no changes in the Company's approach to capital management during the period. The Company is not subject to externally imposed capital requirements, except those, related to maintenance of debt covenants, commonly imposed by the providers of debt finance.

Fair Value Measurements

1 Financial Instruments

There are no recurring or non-recurring fair value measurements as at the reporting date. The management considers the carrying amount of all the financial instruments approximate to their fair values.

47.2 Assets and liabilities other than financial instruments.

None of the assets and liabilities other than certain financial instruments are measured at fair value.

48 PLANT CAPACITY AND ACTUAL PRODUCTION

31-Dec-21

Spinning & Weaving

Number of spindles installed	80,112
Number of looms installed	162
Installed capacity of yarn converted in 20/1 (Kgs.)	14,810,385
Actual production of yarn (Kgs.)	6,610,481
Installed capacity of fabric based on 50 picks- meters	26,566,890
Actual production of fabric - meters	10,777,924

It is difficult to precisely describe production capacity and the resultant production converted into base count in the textile industry since it fluctuates widely depending on various factors such as count of yarn spun, raw materials used, spindles speed and twist etc. It would also vary accordingly to pattern of production adopted in a particular year.

Dear Sir,

Project Split-Corporate Restructuring-Scheme of arrangement

Introduction

We refer to the envisaged scheme of arrangement involving Bhanero Energy Limited (BEL and Bhanero Textile Mills Limited (BTML) (the "Scheme") the draft of which we have reviewed.

We have prepared this letter in accordance with your respective instructions, issued to us under our engagement agreement dated 24 March 2022 ("Engagement agreement") with BTML, to assist in corporate restructuring through the Scheme under the sections 279 to 283 and 285 of the Companies Act, 2017 ("Act"), with respect to BEL and BTML (hereinafter collectively referred to as the companies) based on the special purpose audited financial statements of the companies for the period ending December 31, 2021.

The Companies

BEL is an unlisted public limited company incorporated under the laws of Pakistan. The authorized capital of BEL is PKR 150,000,000 divided into 15,000,000 ordinary shares of PKR 10 each; of which 2,463,650 ordinary shares of the aggregate value of PKR 24,636,500 are issued and fully paid and the remainder are unissued. BEL owns and operates two power generation facilities, one being the BEL-Kotri Unit 1 and the other having a gross capacity of 33.694MW

located at 18-KM, Sheikhpura-Faisalabad Road, Ferozwattoan Punjab. The BEL-Korti Unit 1 is exclusively used for supply of electricity to BTML.

BTML is a public limited company incorporated under the laws of Pakistan and listed on the Pakistan Stock Exchange involved in the manufacture of textile products. The authorized capital of BTML is PKR 60,000,000 divided into 6,000,000 ordinary shares of PKR 10 each of which 3,000,000 ordinary shares of the aggregate nominal value of PKR 30,000,000 are issued and fully paid and the remainder are unissued. BTML manufactures textiles and has textile manufacturing facilities at Ferozwattoan Sheikhpura Punjab and at Kotri, Sindh.

The Scheme

We understand that the Scheme, the draft of which has been shared with us, principally envisages the following:

- (a) the demerger of the BEL-Kotri Unit 1 Undertaking (as defined in the Scheme) which is located at Kotri, Sindh from BEL and its transfer to and vesting in BTML;
- (b) the issuance of fully paid up BTML Shares (as defined in the Scheme) to the BEL Shareholders in proportion to their respective shareholding in BEL; and
- (c) the cancellation of the shareholding of each BEL Shareholder and consequently reduction in the issued and paid up share capital of BEL, as explained below.

Issuance & Cancellation of Shares

The BTML Shares to be issued to the BEL Shareholders equal 40,964 ordinary shares based on the break-value of the shares of BTML and the book value of the BEL-Kotri Unit 1 Undertaking, the workings whereof have been detailed in this letter below.

The number of shares of BEL to be cancelled on account of the demerger of the BEL Kotri-Unit 1 Undertaking from BEL is 147,590 ordinary shares as explained in Annexure G which amounts to [5.99] percent shareholding of BEL's share capital.

The Scheme is envisaged to be effective as of the Effective Date, which is the date on which the Scheme is sanctioned by the Sindh High Court or such other date as may otherwise be expressly approved by the Sindh High Court.

Based on the above, the swap ratio, i.e. the number of BTML Shares to be issued for each share of BEL being cancelled is as follows:

[0.27755].

The Scope of Work

The scope and nature of our work, including basis and limitations, are detailed in our engagement agreement dated 24 March 2022. The scope of our work was to detail the number of shares to be issued by BTML to BEL Shareholders in consideration of the BEL-Kotri Unit 1 Undertaking, and the number of shares of BEL to be cancelled consequently on the demerger of BEL-Kotri Unit 1 Undertaking, taking into account the special purpose audited financial statements of each company for the period ending December 31, 2021. We understand that our letter shall be used solely for the purpose of assistance to you in executing the Scheme including filing the scheme with High Court of Sindh at Karachi.

Key provisions of the Scheme

The key provisions of the proposed Scheme shared with us by Management, which forms the basis of our computations are mentioned below:

This letter has been based on information and workings made available to us as. We have no responsibilities to update our letter with respect to any circumstances, and information that becomes available, after this date. This letter is subject to the statement of limitations attached in 'Annexure A' attached hereto.

We highlighted that our letter does not constitute investment advice or a recommendation to the companies on their future course of action. The decision to buy or sell entails consideration of several factors some of which Mushtaq and Co. may not be aware of. The evaluation of these factors or any related advice does not form part of the scope of our work. Our scope of work is limited to allocation of net assets on basis of net book values of the companies.

We understand that the letter would be shared with all the stakeholders. Managements of the companies, lawyers and consultants to the transaction and the Honorable High Court of Sindh, however, please note that the letter should only be used for the purpose stated above and any summaries of, or references to this letter that are to be presented to any third parties must be reviewed by us, and that information may not be released without our prior written approval. Our letter may not have considered issues relevant to any third party. Any use that any such

Annexure A; Statement of assumption and limitation conditions

Our work is contingent upon the following limitation conditions;

1. The allocation of net assets computed herein is based on book value of net assets. Distribution of net assets has been agreed amongst the respective managements and board of Directors of Companies.
2. This letter is intend for use only by the party to whom it has been addressed and the Companies. Mere possession of this letter does not convey the right of reliance, nor may reliance be placed by any third party for any other purpose than that for which it was prepared.
3. The allocation of net assets contained in this letter is intended only for the purpose of assistance to the shareholders as stated in the opening paragraph of this letter. Subsequently changes in the provisions of the agreement and the adjustments therein could result in a substantially different allocation of net assets than that estimated and presented in the letter. Mushtaq and Co. is not required to revise or update this letter to reflect events or conditions which occur subsequent to the date of this letter.
4. Financial statement of the company used to determine the book values were the special purpose audited financial statements dated 31 December 2021.
5. Information provided to us by the Management forms the basis upon which our workings were conducted. Omission of any material information provided to us would have a significant Impact on our workings. Further, It is our assumption that workings and financial statements of the Companies provided by the Clients approved by them and their respective Board of Directors for this exercise.
6. We have relied on the accuracy and completeness of information obtained from the Management and hence did not independently verify such information unless otherwise stated.
7. This letter should not be considered as Investment, tax or accounting advice and does not constitute a fairness opinion.
8. We understand that this letter may be shared with all the shareholders, Management of the companies, lawyers and consultants to the Scheme. In addition, the letter may also be shared with the Securities and Exchange Commission of Pakistan ("SECP") and the Honorable High Court of Sindh (collectively "Regulator") as part of regulatory filings for the proposed Scheme. We are prepared to share our letter with the Regulator to fulfill the regulatory requirement provided that:

- a. The Client and the Regulator acknowledge and confirm that this letter has been prepared solely in relation with the Scheme and for the benefit of the Client and we owe a duty of care only to our Client with whom we have signed our Engagement Agreement.
- b. The Client and the Regulator acknowledge that the conditions stipulated in the following paragraph will be adhered to:
 1. This letter has been prepared solely for the purpose defined and the benefit of the client. It cannot be used or relied upon for any other purpose or by any party except the client. For the avoidance of doubt, we do not owe a duty of care to any party who has not agreed the terms of our Engagement Agreement or where we have not specifically agreed to owe a duty of care to such parties.
 2. Accordingly, any party other than the Client should not use or place reliance on our letter nor they can claim that they have done so. We assume no responsibility whatsoever or be held liable for losses third parties may incur in respect of or arising out of or in connection with the use or reliance by third parties on the contents of this letter. If third Parties choose to use or rely in any way on the contents of this letter, they do so entirely at their own risk. Further, access to our letter is limited to those parties to whom we have specifically provided our consent and any party who has not been provided with such consent should not have access to our letter and must not read any further.

Annexure B: Sources of Information:

We have considered historical financial statements and other documents provided by the Management for this exercise. We have used information from the following sources:

- Special purpose audited financial statements of the BTML and BEL as at 31 December 2021;
- Workings provided by the Managements of the Companies with respect to distribution of net assets;
- Conversations held with Management personnel to obtain an understanding of the proposed Scheme, who were involved in preparation of the workings provided to us; and
- Discussions held with the legal counsel, RIAA Barker Gillette on the Scheme;

Bhanero Textile Mills Limited

Extract of the Resolutions passed by the Board of Directors (the “Board”) of Bhanero Textile Mills Limited (the “Company”) at their meeting held on 7 April 2022 at Umer House, 23/1, Sector 23, SM Farooq Road, KIA, Karachi.

Further to the in-principle approval granted by the Board at its meeting held on 25 February 2022, during the meeting, the Board discussed, considered and approved the proposed arrangements pertaining to, inter alia, the reorganization / rearrangement between the Company and Bhanero Energy Limited (“BEL”) in respect of the power generation facility of BEL having gross capacity of 3.726 MW located at E-2, S.I.T.E Kotri, Sindh.

Consequently, the following resolutions were passed by the Board:

RESOLVED THAT for the purposes of carrying out, inter alia, the reorganization / rearrangement of the assets, liabilities, obligations and undertakings between the Company and BEL, the Company be and is hereby authorized to enter into an arrangement with BEL in terms of which it is proposed that, inter alia:

- (i) the BEL-Kotri Unit 1 Undertaking (as defined in the Scheme), comprising primarily of the power generation facility at Kotri along with the gas connection and the claims and ongoing proceedings in respect of gas infrastructure cess, shall be transferred to, vested in and assumed by the Company subject to and in accordance with the terms and conditions set forth in the Scheme including the issuance of a corporate guarantee from BEL in favour of the Company against any liability arising in respect of the claims and ongoing proceedings for gas infrastructure cess being transferred to the Company;
- (ii) the allotment of 40,964 shares by the Company in the Company to the shareholders of BEL on the break value of the existing issued and paid up shares of the Company, in proportion to their respective shareholding in BEL, as per the letter of Mushtaq and Company, Chartered Accountants, dated 7 April 2022, the shares being allotted by the Company having been calculated on the basis of the book value of the BEL-Kotri Unit 1 Undertaking being transferred to the Company as per the special purpose audited accounts prepared for BEL by BEL’s auditor; and
- (iii) 147,590 shares representing 5.99% of the issued and paid up capital of BEL shall stand cancelled and the issued and paid up share capital of BEL shall be reduced accordingly,
